Dear Kathy,

In regards to the above contract number, I would be willing to pay a late fee for non on-time delivery of \$250.00 to have a modification made for an extension. The new delivery will be April 30.2002, or sooner. This dated is needed because of the corrections needed in the tool from the supplier. Please except my fees as I request to have a modification submitted for new delivery date for the remaining balance of 90 pieces.

If you have any questions or concerns, feel free to contact me.

Best regards,

*Reginald Phillips*
