1. Contractor's failing to bid on all years and all ranges may be disqualified.
2. For evaluation purposes, the Government has weighted the ranges based on the likelihood that if an order is placed, it will be placed in that particular range. An evaluation price will be calculated by multiplying the offered prices by their respective weights and minimum quantities for each range and adding the totals for all years.
3. The offeror shall indicate the brand name and model of the items proposed in the space provided. Offerors proposing to offer something other than a Hennessy Mounter/ Demounter Model number 9000 shall fill in the cost of product performance verification testing in the space provided. These costs will be added to the evaluation price
