Subject: CONTRACT DAAE20-02-C-0141, FEED THROAT ASSY, P/N 5830095

Kathy -

In response to our submittal of the AIE, per the subject contract, U.S. TACOM-ARDEC has requested procedures for Smut Test and Salt Spray Test for the following parts:

5830096      Feed Throat  
3010125-2    Pin, Grip  
3010127-1    Plunger, Feed Throat  
3010127-2    Plunger, Feed Throat

In addition, US TACOM-ARDEC requested the following procedures for P/N 3010126, Spring, Feed Throat:

Cadmium Plating Thickness  
Cadmium Plating Adhesion  
Cadmium Plating Corrosion Resistance  
Cadmium Plating Embrittlement Relief

Per specification, there is no requirement to submit these procedures. However, H & R Parts is in the process of providing these procedures. The procedures should be available by May 30, 2003. They then have to be reviewed and approved by ARDEC. Based on this additional effort, it is hereby kindly requested that a no cost modification be issued changing the First Article delivery to July 25, 2003 and moving out the production by two months.

Any questions or comments, please feel free to contact me.

Best regards,
