The following Government Acceptance Inspection Equipment (AIE) design drawings, cited elsewhere in the technical data, are appropriate for use during the performance of this contract to inspect the applicable characteristics:

None

All other Government AIE designs which are cited in the Technical Data Package List or in any other documents in the technical data package are no longer maintained by the Government.

These AIE designs may not reflect the latest component configuration and are, therefore, included for informational purposes only. The contractor is responsible for the design and submission to the Government for review of all AIE design documentation, other than those listed above, in accordance with Clause \_\_\_\_\_ specified elsewhere in Section E of this contract. The contractor may elect to submit an alternate design for those listed above but must submit the alternate AIE design to the Government for review and approval.
