Total Evaluated Price for CLIN 0004 for all Ordering Periods:

1. Offerors may propose unit prices for one or any of the line items listed in the Table.
2. For evaluation purposes, the Government has weighted the ranges based on the likelihood that if an order is placed, it will be placed in that particular range. Total evaluated price per line item will be calculated by multiplying the offered unit prices by their respective weights and maximum quantities for each range on each line item and adding the totals for all ordering periods.
