**Total Evaluated Price**

1. Offerors must submit their proposed unit prices in the boxes provided. Offerors failing to bid on all items, all years and all ranges may be disqualified.
2. The Evaluated Price will be calculated by summing the multiplication of the proposed unit price by its respective weight and maximum quantity of each range for a given ordering period and adding the totals for all periods.
3. For evaluation purposes, the Government has weighted the ranges based on the likelihood that if an order is placed, it will be placed in that range.
