- 1. Offerors must submit their proposed unit prices in the boxes provided. Offerors failing to bid on all items, all years and all ranges may be disqualified.**
- 2. The Evaluated Price will be calculated by summing the multiplication of the proposed unit price by its respective weight and maximum quantity of each range for a giving ordering period and adding the totals for all periods. If first article costs are applicable they will be added to obtain the total evaluated price.**
- 3. For evaluation purposes, the Government has weighted the ranges based on the likelihood that if an order is placed, it will be placed in that range.**
