Hello Kathleen,

Here is the Phosphate Coating Procedure that you requested. I would also like to ask for an extension of the delivery of the FAT as well as the production units for a consideration fee of \$50.00. Here is the revised delivery schedule:

FAT delivery 3/15/4 (This includes 15 days for Phosphate Coating Procedure approval)

Production delivery 5/7/4 (I've allowed for approval of FAT)

Please let me know if you need anything else.

Sincerely,

Barb Colvard
