TDP 9360184    TDPL DATE 10/10/03

NSN 5340012128560                      NOMENCLATURE CLAMP,LOOP

ENGINEERING EXCEPTIONS: The following engineering changes apply to this procurement action(s):

"The following Government Acceptance Inspection Equipment (AIE) designs drawings, cited elsewhere in the technical data, are appropriate for use during performance of this contract to inspect the applicable characteristics

o All AIE designs specified for critical Characteristics/Defects

o Other - Lists by citing individual drawing numbers or equipment list(s)

NONE

All other Government AIE designs which are cited in the Technical Data Package List or in any of the documents in the Technical Data Package are no longer being maintained by the Government, may not reflect the latest component configuration and are, therefore, included for information purposes only. Except for the AIE designs listed above, the contractor is responsible for the design and submission to the Government for review of all other AIE in accordance with Clause \_\_\_\_\_ specified elsewhere in Section E of this contract."

Any product or inspection documents without distribution statement shall be A.
