1. The Total Evaluated Price will be calculated by summing the evaluated prices of all 5 CLIN's. The evaluated prices of CLIN's 0001, 0003, 0004AA and 0004AB will be calculated by summing the multiplication of each order quantity unit price by its respective weight and the maximum order quantity of the range for each ordering period.

The evaluated price of CLIN 2 will be the proposed price for ordering period 1.

2. For evaluation purposes, the Government has weighted the ranges of CLIN's 0001, 0003, 0004AA and 0004AB based on the likelihood that if an order is placed, it will be in that range.
