Artillery and Mortars Contracting Group

SUBJECT: Amendment No. 0004, Solicitation No. DAAE20-99-R-5004, Job Order Contract in support of Anniston Army Depot

Gentlemen:

This letter is your notification that discussions are closed. You are requested to submit your Final Proposal Revision no later than **August 12, 1999, 4:00 P.M., Central Daylight Savings Time (CDST)**. Any revision to your offer or confirmation of prices may be received prior to that time. Late offers will be handled in accordance with FAR 52.215-1 cited in Section L of the solicitation.

Section B enclosed is for revisions to your price proposal. You are requested to confirm or revise your pricing coefficients.

General Wage Decision AL990034 was modified on June 4, 1999 and is attached hereto.

Unless otherwise stated by the offeror in the Final Proposal Revision, all changes to your proposal submitted during the course of discussions (through Items for Discussion responses or otherwise) will be treated and evaluated as modifications/revisions to your proposal and need not be resubmitted in the Final Proposal Revision.

After the closing date, no information other than notice of unacceptability of proposal, if applicable, will be furnished to any offeror until award has been made. The Government may award a contract based on this Amendment 0004 without further discussions with offerors.

Other than confirming price coefficients, you are requested to submit only such materials as alter your original proposal. It is not necessary to re-furnish any documents already submitted.

You are to submit your Final Proposal Revision via electronic response on the TACOM-RI Business Opportunities, Open Solicitation web page (<http://aaibids.ria.army.mil/>), or via facsimile to (309) 782-2047.

If you have any questions, please contact Ms. Terri Maple, AMSTA-LC-CFA-C, telephone (309) 782-6096, and facsimile (309) 782-7289.

Sincerely,

Carol C. Rivard
Contracting Officer

to which welding is incidental.

=====
Unlisted classifications needed for work not included within
the scope of the classifications listed may be added after
award only as provided in the labor standards contract clauses
(29 CFR 5.5(a)(1)(v)).

In the listing above, the "SU" designation means that rates
listed under that identifier do not reflect collectively
bargained wage and fringe benefit rates. Other designations
indicate unions whose rates have been determined to be
prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can
be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a
position on a wage determination matter
- * a conformance (additional classification and rate)
ruling

On survey related matters, initial contact, including requests
for summaries of surveys, should be with the Wage and Hour
Regional Office for the area in which the survey was conducted
because those Regional Offices have responsibility for the
Davis-Bacon survey program. If the response from this initial
contact is not satisfactory, then the process described in 2.)
and 3.) should be followed.

With regard to any other matter not yet ripe for the formal
process described here, initial contact should be with the Branch
of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U. S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

2.) If the answer to the question in 1.) is yes, then an
interested party (those affected by the action) can request
review and reconsideration from the Wage and Hour Administrator

(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:
Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U. S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

4.) All decisions by the Administrative Review Board are final.
END OF GENERAL DECISION
