-----	--------	--	----------

(a) In accordance with Section 326 of P.L. 102-484, the Government is prohibited from awarding any contract which includes a specification or standard that requires the use of a Class I ozone-depleting substance (ODS) identified in Section 602(a) of the Clean Air Act, 42 U.S.C. 7671a(a), or that can be met only through the use of such a substance unless such use has been approved, on an individual basis, by a senior acquisition official who determines that there is no suitable substitute available.

(b) To comply with this statute, the Government has conducted a best efforts screening of the specifications and standards associated with this acquisition to determine whether they contain any ODS requirements. To the extent that ODS requirements were revealed by this review they are identified in Section C with the disposition determined in each case.

(c) If offerors possess any special knowledge about any other ODSs required directly or indirectly at any level of contract performance, the U.S. Army would appreciate if such information was surfaced to the Contracting Officer for appropriate action. To preclude delay to the procurement, offerors should provide any information in accordance with FAR 52.214-6 or 52.215-14 as soon as possible after release of the solicitation and prior to the submission of offers to the extent practicable. It should be understood that there is no obligation on offerors to comply with this request and that no compensation can be provided for doing so.

 TACOM-RI SPECIFICATIONS AND STANDARDS

(a) Section I of this document contains DFARS clause 252.211-7005, Substitutions for Military Specifications and Standards, which allows bidders/quoters/offerors to propose Management Council approved Single Process Initiatives (SPIs) in their bids/quotes/offers, in lieu of military or Federal specifications and standards cited in this solicitation.

(b) An offeror proposing to use an SPI process under this solicitation shall identify the following for each proposed SPI as required by DFARS 252.211-7005 contained in Section I:

SPI	MILITARY/FEDERAL SPEC/STANDARD	LOCATION OF REQUIREMENT	FACILITY	ACO

(e) The price that is provided by the offeror in the Schedule in Section B will be considered as follows:

(1) If an SPI is identified in paragraph (b) above, the Government will presume that the price is predicated on the use of the proposed SPI.

(f) Bidders/quoters/offerors are cautioned that there is always the possibility that the Government could make a determination at the Head of the Contracting (HCA)/Program Executive Officer (PEO) level that the proposed SPI is not acceptable for this procurement. If such a determination is made, and the bid/quote/offer only identifies a price predicated on use of proposed SPI, the bid/quote/offer will be determined nonresponsive. Bidders/quoters/offerors who propose SPI processes are encouraged to provide a price below to reflect their price for the item manufactured in accordance with the requirements as stated in this solicitation to preclude possibly being determined nonresponsive:

Until first article approval is granted, only costs for the first article and costs incurred under this authorization are allocable to this contract for (1) progress payments, or (2) termination settlements if the contract is terminated for the convenience of the Government. If first article tests reveal deviations from contract requirements, the Contractor shall, at the location designated by the Government, make the required changes or replace all items produced under this contract at no change in the contract price.

L-10 9.306(c) FAR WAIVER OF FIRST ARTICLE APPROVAL

THIS PROCUREMENT IS SUBJECT TO FIRST ARTICLE APPROVAL TESTS. OFFERS ARE INVITED ON THE BASIS OF 'WITH FIRST ARTICLE' AND 'WITHOUT FIRST ARTICLE APPROVAL.' THE FACT THAT AN OFFEROR HAS PREVIOUSLY FURNISHED THE ITEM DOES NOT NECESSARILY MEAN THE FIRST ARTICLE WILL BE WAIVED. ANY WAIVER OF FIRST ARTICLE IS SUBJECT TO A RENEWED REQUIREMENT WHEN ANY OF THE CONDITIONS DESCRIBED IN SECTION E PARAGRAPH ENTITLED 'INSTRUCTION REGARDING SUBMISSION OF FIRST ARTICLE' OCCURS.

The Government reserves the right to waive the requirements for first article approval testing where supplies identical or similar to those called for in the schedule have been previously furnished by the offeror and have been accepted by the Government. To permit proper evaluation in such cases, offerors, who are eligible to have first article approval tests waived, and have so offered, are hereby requested to submit prices on all requirements set forth in Section B so that they will not be precluded from consideration for award in the event that the Government determines that an award requiring first article approval is in the best interests of the Government. If such determination is made, award will be made with First Article Approval.

Award will be made to that responsible offeror whose offer conforming to the Solicitation, will be most advantageous to the Government, price and other factors considered.

Offers submitted Without First Article Approval, must state the contract number, if any, under which identical or similar supplies were previously accepted by the Government. (However, see Notice above.) In the event that an offeror cannot furnish the required information, his offer Without First Article Approval will (may, in negotiated procurements) not be considered for award.
