Please enter prices in the bold outlined boxes, including TDY, labor, manuals and material costs necessary to conduct training IAW Section 3.3 of the Performance Description.

The Est. # of Training Sessions represents the estimated number of ranges to be completed each Pricing Period. The Government reserves the right to request up to 24 Training Sessions per Pricing Period.

The prices for CONUS and OCONUS Training **WITH** Sustainment Training Package will be used for evaluation purposes. The prices for CONUS and OCONUS Training **WITHOUT** Sustainment Training Package will be used if the Government determines that the range does not require a Sustainment Training Package.
