Wtd U/P x Est Qty		128			122			117	
Evaluated Production Price	\$	-		\$	-		\$	-	

Please submit your Proposed Unit Prices in the bold outlined spaces.

The Government will multiply the Proposed Unit Price times its corresponding weight and add the resulting products to get a Weighted Unit Price which is then multiplied times the Estimated Quantity to determine the Evaluated Production Price.

The Evaluated Production Price for each Pricing Period will be added together to arrive at the Total Evaluated Price.
