Weighted Total:

Weighted Total for the Entire Proposal:

1. This will be an all or none procurement. Contractor's failing to bid on all years, and all ranges may be disqualified.
2. For evaluation purposes, the Government has weighted the ranges based on the likelihood that if an order is placed, it will be placed in that particular range. An evaluation price for each year will be calculated by multiplying the offered unit prices by their respective weights and minimum quantities for each range and adding them together.
3. The total evaluated price will be determined by adding the totals for all the years.
