Dear Mr. Coffman:

Reference contract DAAE20-02-D-0113 and the enclosed revised nonmandatory Engineering Change Proposal (ECP) 587-0562, Notices of Revision (NORs) -001, -002, and -003, dated October 18, 2002.

The enclosed modified nonmandatory Engineering Change Proposal (ECP) 587-0562, Notices of Revision (NOR) 001, 002 & 003, dated October 18, 2002 are forwarded for your review. These NORs simplify the manufacturing process and eliminate the soldering.

Request the enclosed NORs be reviewed for cost and delivery impact. Should it be possible to incorporate the NORs at no cost to the Government or delay in the delivery schedule, you are requested to notify the undersigned to this effect. If there is no cost to the Government or delay in the delivery schedule, this NOR shall be considered incorporated upon the following acknowledgment being executed by an authorized representative from your company and the receipt of such by this office.

ACKNOWLEDGMENT

"The above change is acceptable with no increase to the total price and no schedule impact and thus is incorporated in accordance with the Changes Clause, FAR 52.243-1. Any and all contractor rights and claims for equitable adjustment attributable to such facts and circumstances giving rise to the above changes are hereby waived."
