Adria,

In reviewing the remaining assets against the above contract that we had provided to TACOM for Mod 34, we realized that we only included the Receivers and Feeders and not all the miscellaneous parts and ammo. As a result, we are requesting a mod to this contract to reflect the true list of assets as of July 1, 2001 per the attached.

These assets were being transferred from the above contract to Prime Contract # DAAE07-00-C-M002 to UDLP. We are a subcontractor to UDLP and our subcontract # is SCT04011 with UDLP.
