A-2 REQUIREMENTS CONTRACT:

1. This solicitation DAAE20-99-R-0133 will result in the competitive award of a long-term firm-fixed price requirements contract for the Hydraulic Pumping Unit for use with the Hydraulic Test and Repair Unit (HYSTRU). See FAR 16.503, 52.216-18, 52.216-19, and 52.216-21 for additional information on requirements contracts. This contract will include five pricing periods as set forth in paragraph 6.

4. Evaluation of offers shall be in accordance with the evaluation guidelines and specific evaluation procedures in this solicitation.

5. The proposed unit prices for all quantities shall be marked in the pricing table which has been made as an attachment of this solicitation. Proposals offering prices for less than all five pricing periods will not be considered. Proposals offering prices for quantities other than those solicited will not be considered.

7. The Government's estimated quantities and maximum quantities by pricing period are set forth below. The estimated quantities represent the government's best estimate of actual projected requirements, based on a combination of order history, actual orders on hand, and projected demand. They are not a representation that the estimated quantities will be required or ordered, or that
