within a 3-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager, plant manager, head of a subsidiary, division, or business segment, and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious or fraudulent certification may render the subject to prosecution under section 1001 title 18 United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

SECTION M - EVALUATION FACTORS FOR AWARD

SECTION M - PRICE

1. The Government will establish a fair market value for the Man Day Rates and Man Days. For evaluation purposes, the proposed Man Day Rates and Man Days will be compared to the established fair market value established by the Government to determine fairness and reasonableness of prices.
2. Evaluation of proposed Man Day Rates and Man Days will include determining reasonableness and realism. Reasonableness is interpreted to mean that the price does not exceed what an ordinarily prudent person in the conduct of competitive business would incur. Realism asks, "Does the proposal price accurately reflect the contractor's proposed effort to meet the program requirements and objectives." An unrealistic or unaffordable price may preclude a contract award.
