Notes

1. Contractor's failing to bid on all years and all ranges, including First Article Test (FAT), may be disqualified
2. For evaluation purposes, the Government has weighted the ranges based on the likelihood that if an order is placed, it will be placed in that particular range. The Total Evaluated Price will be calculated by summing the multiplication of each order quantity unit price by its respective weight and the maximum order quantity of the range for each ordering period. The FAT price will be added as part of the Total Evaluated Price.
3. The FAT price will be priced separately.
4. Ordering Periods:
