CLIN 0001 - 150 each - Skid Steer Loader
CLIN 0002 - 150 each - Hydraulic Breaker with various tool points
CLIN 0003 - 150 each - Auger
CLIN 0004 - 150 each - Combination Bucket
CLIN 0005 - 150 each - Pair of Pallet Forks

The minimum guaranteed quantities will be ordered concurrently with the award of the contract. The maximum order quantity for the entire contract is 1,000 units for each CLIN. An award under this solicitation will obligate the Government for the guaranteed minimum quantity only. Each delivery order stands on its own insofar as it obligates the Government. All delivery orders will be issued unilaterally by the Government with firm delivery dates and shipping instructions.

Inspection and Acceptance is F.O.B. Origin. Deliveries are F.O.B. Destination for all CONUS shipments. Deliveries are F.O.B. Destination New Jersey or San Francisco for all OCONUS shipments.

Delivery requirements, first order: Within 30 days of receipt of the first delivery order the contractor shall deliver a quantity of one (1) each of CLINs 0001 - 0005, identified above, F.O.B. Destination, to the following address:

U.S. Army Aberdeen Test Center
ATTN: Mr. Joe Carabetta
Bldg. 400
Aberdeen Proving Ground, MD 21005-5059

The Government will conduct transportability tests on these items, which will take approximately 120 days. After the contractor receives the data from MTMCTEA and APG, the contractor will prepare the Transportability Report and submit it electronically to the Military Traffic Management Command Deployability Engineering web site (<http://www.tea.army.mil/dpe/t-report.him>), no later than 90 days prior to the first production delivery. A copy of the Transportability Report is to be e-mailed to: hollandd@ria.army.mil and maplet@ria.army.mil. The Contracting Officer will review the Transportability Report and will notify the Contractor of the approval/disapproval within 10 days of receipt of the report. Upon approval by the Contracting Officer deliveries shall begin within 60 days at a rate of thirty (30) units per month until completion. Earlier deliveries are authorized at no additional cost to the Government. For purposes of this section, a "unit" constitutes one each of CLINS 0001-0005.

Delivery requirements, subsequent orders: For all subsequent orders the Contractor shall begin deliveries within 60 days of the order at rate of thirty (30) units per month until completion. Earlier deliveries are authorized at no additional cost to the Government.

The estimated quantities and shipping destinations within the Continental United States (CONUS) are as follows. This list may not be all-inclusive.
