

## STATEMENT OF WORK

### TRAIN THE TRAINERS (CLINS 0004AD AND 0004AE)

The contractor will provide training for 4 Non-Commissioned Officers (NCO), who upon graduation, are fully certified and trained as turret operators, drivers, loaders and TCs. Each NCO shall be certified and qualified to train in any of these subjects to such an extent that they will produce students of the same caliber now being turned out by German instructors. The contractor will train 4 NCO for the Fuchs (CLIN 0004AD) and 4 NCO for the Luchs (CLIN 0004AE).

Course attendees must be trained from “zero to hero,” with the ability to instruct at the above stated standards upon successful completion.

Each graduate will receive all materials required to successfully teach the course. This includes, but may not be limited to, the following:

- Plans of Instruction (POI)
- Lesson Plans
- Manuals/TMs
- Student handouts/workbooks/instructional guides
- Viewgraph/film slides and posters

Upon graduation, each student will receive the following training certificates:

- Drivers/Operator Maintenance Certificate
- Gunner/Turret Operator Maintenance Certificate
- Crew Commander (Navigation)
- Loader
- Certificate stating the individual is a “Certified Fuchs/Luchs Operator Trainer.”

Contractor will be allowed 30 days advance notice for scheduling training.
